

# Troop 15 – Summer Camp Information 2017

**Friday, July 7, 7:00 PM**, at Southwood Lutheran back parking lot, check in and load the trailer. Bring your gear, and medication. Please deliver all applicable medication to Tammy Cuddy that night. She will reconcile it against your health form. We'll pack the trailer at this meeting and hold a final check-in to make sure you have everything.

**Saturday, July 8, 8:15 AM sharp**, we'll depart from the Southwood Lutheran parking lot. Bring a sack meal for lunch and what few personal items you'll need for the ride. Personal electronics are allowed for the trip but will stay in the vehicles while we are at camp. You are responsible for your own gear when we travel so don't bring too much stuff. As always, when we travel, wear your Class A uniform (including neckerchief). The Troop will be providing for supper on Saturday and breakfast and lunch on Sunday. We will be staying at United Methodist Church in Chadron ([847 Shelton St, Chadron, NE 69337](http://www.google.com/maps/place/847+Shelton+St,+Chadron,+NE+69337))

**Sunday, July 9, 8:30 AM**, we'll depart from the church and make our way to camp check-in, stopping at Crazy Horse Monument for a tour & lunch on the way.

**Wednesday, July 12**, Black Hills Tour Day. We'll visit Custer State Park, Mount Rushmore and either Wind Cave or Jewel Cave. We will be eating pizza in Keystone for supper. You may want to bring some spending money for souvenirs, but the meals and admission fees will be paid from the Troop funds that have been collected.

**Saturday, July 21**, we'll arrive back at the Southwood Lutheran parking lot between 9:15 PM and 9:30 PM. If we'll be earlier or later, we'll call enroute. We'll be having lunch at the Badlands Visitor Center (provided by Troop) and supper on the way home and each boy will need \$10.00 for supper & snacks (this was requested to be provided as cash, separate of the troop travel fee, which will not be distributed until the trip home).

**Medications:** Label all medications with name and troop number before coming to camp. Leave medications in their original container and include any special instructions. The Leader's Guide provides options for camp or troop dispersal. If we can secure a lock box we will most likely use the troop dispersal methods. Your scout is responsible to obtain their medications at the designated times from Tammy Cuddy.

**Trading Post:** All sorts of items are available at the trading post and the Leader's Guide says that the average Scout might spend \$50 or so. This **does not** include supplies that are needed for some of the merit badges.
